LÍRIO

DESIGNED BY
ESTÚDIO UULTIS

LÍRIO

Designed and developed based on the same principles as the Lírio armchair, the Lírio stool emerges as a complement featuring the same traits. The piece combines organic forms and upholstery, imbuing coziness and sensations that only nature can provide.

STRUCTURE

Selected, high-quality solid wood structure. The upholstery is structured with medium density foam, providing unparalleled comfort and support.

FINISHES/COATING

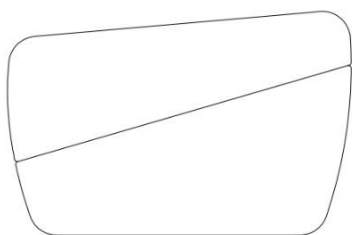

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
