GRIND

DESIGNED BY  
SÉRGIO BATISTA

# G R I N D

---

The Grind upholstered furniture has organic and elegant shapes that add value to the environment. Its comfort is transcendent, along with its curved arms that stand out amidst the straight lines. The wooden feet enhance the product, adding a touch of sophistication and personality to this piece.

## FRAME

*Frame made of eucalyptus solid wood fixed with metal clamps and PVA glue, ensuring support.*

*Seat with high density foam on elastic belts providing resilience and comfort when sitting.*

*The backrest cushions are loose and filled with polyester fiber, ensuring comfort and softness to the user.*

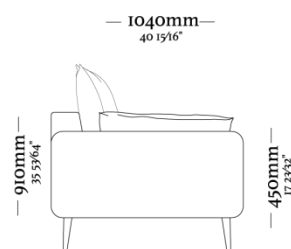

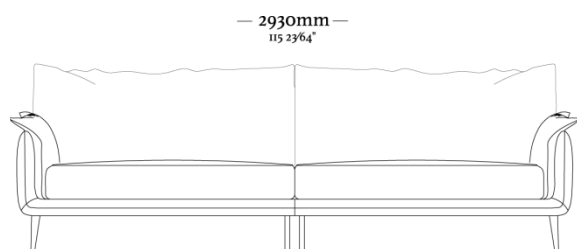

## FINISHINGS/COATINGS

*Finishes and coatings available according to the price list. It is a wide variety of finishes and coatings to compose unique pieces.*

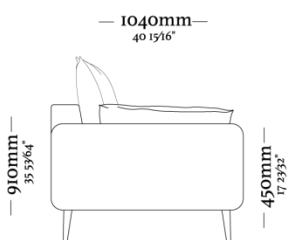

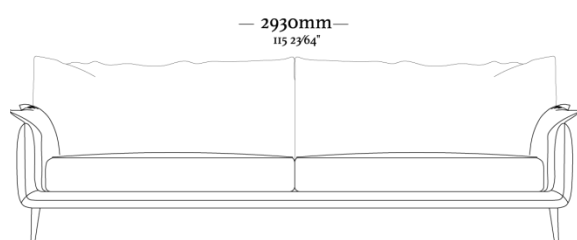

## COMPOSITION

*Base /cushion + backrest.*
