With contemporary design the bedside table Tallo valorizes minimalist features, discrete, that add extreme sophistication to the product. Its functionality and practicality are fundamental premises, both in the version with one or two drawers. The metal base guarantees you the right support, lightness and nobility typical of this material.

STRUCTURE

Bedside table with metallic legs and structure plus drawers and shelf in solid wood with natural finish.

FINISHINGS

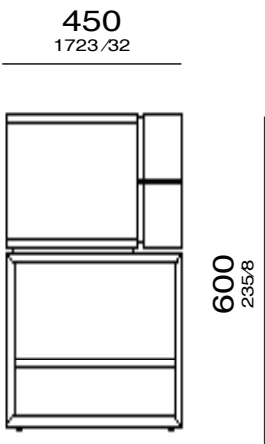

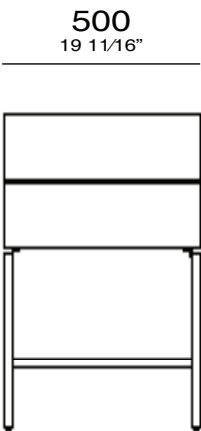

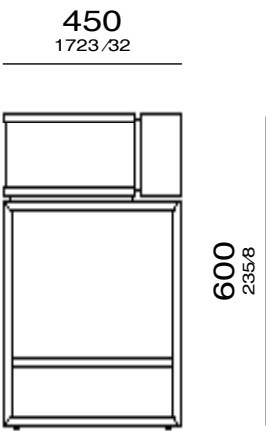

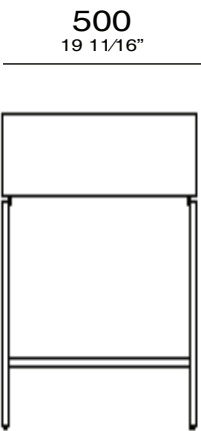

Front Drawers + Shelf: 079CV, 145LC, 148LT.

Base: 085, 087, 089.

COMPOUND

Base + Drawers + Feet.
