T R I A

DESIGNED BY
SÉRGIO BATISTA

T R I A

In the set of Tria tables, functionality is the main feature, because it allows an enormous variation of how to arrange it in the environment, its triangular format allows an enormity of configurations and fittings, a product that can't miss in any project.

STRUCTURE

Coffee table with feet in metallic structure and top in wood or metal.

FINISHINGS

Base: 085, 087, 088.

Top: 079CV, 145LC, 148LT or 085, 087 or 088.

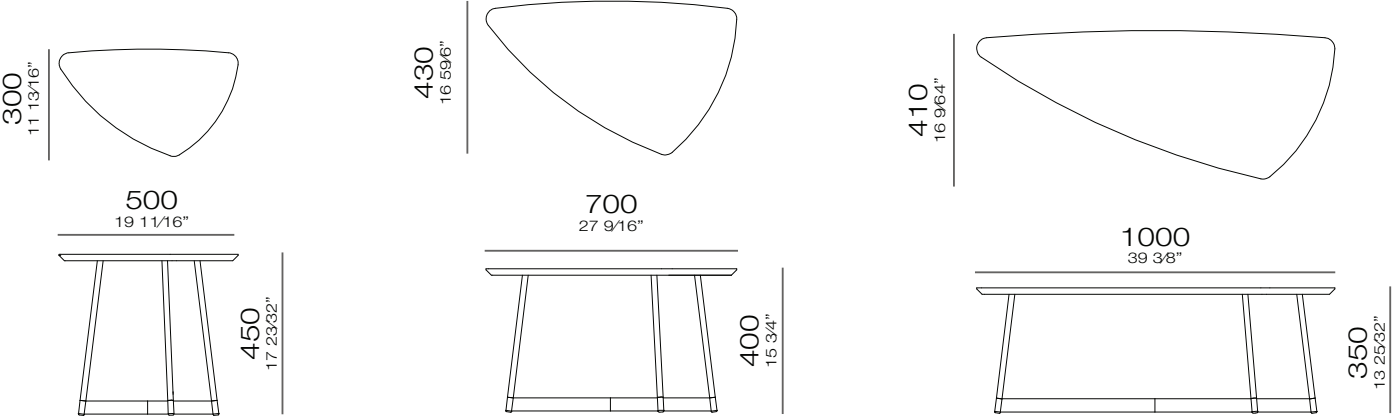

COMPOUND

Base + Top.

OPTIONS

Wood or metallic top.
